## November 22, 2018 – Guidance Café

Dear elementary parents,

Once again this year on Thursday, November 22, Kyoto International University and KIU Academy will be having a Guidance Café to present information about the KIU High School and opportunities for its graduates to study at KIU Foundations Program, as well as to study in Japan and in foreign countries. Since some elementary parents have expressed interest in knowing about future educational options for their children, we would like to extend a special invitation to all elementary parents to participate in this event. This year it is scheduled from 4:00-6:00 in hopes that more parents who come to pick up their children will be able to attend. Child supervision will also be available as needed. If you are interested in this event, please help us prepare by filling out the form below and returning it to your child's homeroom teacher by Friday, November 9.

Sincerely,  
Steve Rohrer

Parent's Name: \_\_\_\_\_ Child's Grade Level: \_\_\_\_\_

Total number of attendees of your family: \_\_\_\_\_

I would like to have supervision for my children:

(Please list names and ages of children)
